

A DAY IN THE Life OF...

FLOOR DIKSHOORN

Consultant @ Michael Page Amsterdam

7:45

Off to the gym: I am always at my best after a morning exercise.

9:10

Start the morning in the office with a cup of tea. Time to update some clients on the status of their vacancies I am working on.

11:05

Interviews with candidates to find out if the position they've applied for suits them. I think it's important to get to know people personally. What motivates them? What is important in life?

12:20

Lunch with colleagues: Time to catch up and discuss our plans for the weekend.

15:00 - 16:30

Visiting a large pharmaceutical company, together with my colleague. They are looking for a Senior Quality Assurance Specialist. I will follow up with the best shortlist of candidates that I have met.

17:15

Back to the office. Great news! Out of all the new consultants, a colleague and I placed the most candidates. We won a trip!! Marbella here we come!! 😊

19:25

After work it is time to train with my horse for the competition next Sunday.

EDUCATION

University of Amsterdam
Master Sport- & Performance Psychology
